The Honorable Charles M. Teague
House of Representatives
Washington 25, D. C.

Dear Mr. Teague:

Thank you for your letter of 6 July 1959 concerning

[redacted] wrote to us in May regarding his interest in working with the Central Intelligence Agency and filled out preliminary application forms in June. We are generally limiting our recruitment to obtaining a few junior officers and replacing clerical turnover and have only occasional openings for individuals with particular attainments in our fields of work. We explored the possibility of an opening which would make use of [redacted] related military experience but did not find a vacancy which would accommodate his employment. A letter advising him to this effect was mailed 2 July 1959.

We appreciate your advising us of the letter you received from [redacted] endorsing [redacted] personal qualifications. We shall make this a matter of record for consideration in the event an opportunity for [redacted] should develop.

Sincerely,
